ABOUT WBCS

HISTORY OF WBCS

John and Brenda Alley established William Bradford Christian School (WBCS) in 1987 on the mission that WBCS would provide a Christ-centered learning environment that is an extension of the home. They established that the goal of WBCS would be educating, nurturing, and developing each student spiritually, academically, physically, and socially; preparing them to be Godly servant-leaders striving to fulfill the Lord's call on their life. The guiding principles of WBCS are faith, life, speech, love, and purity. Each is based on a scripture from the Bible. The vision of WBCS is God, Family, Patriotism, and Academics.

Our school board – composed of three couples from the community - and the school administrator governs WBCS. The board meets at least once a month. WBCS is a member of the Oral Roberts University Education Fellowship and is accredited with the International Christian Accrediting Association (ICAA). The ICAA evaluates the school every five years to ensure that it meets the guidelines to remain accredited. We are also accredited with AdvancED. The Oklahoma State Department of Education recognizes our accreditation with ICAA.

WBCS was housed at Pryor Christian Center just south of Pryor for a number of years. Initially the school opened with grades K4-6th. Each year a new grade was added until we had grades K-4 through 12th. By 1992 we had an enrollment of 140. The school had to meet in two locations because we had outgrown our facilities. The elementary students met in Pryor Christian Center while the junior high and high school met in a building in downtown Pryor. During these developing years, a local banker donated 27 acres of land to the school with the stipulation that the school build on the land. In 2000, the school purchased several buildings from Tulsa Public Schools. These buildings were moved to the donated property and renovated. The outdoor basketball court was completed in the summer of 2015. Remodeling began in the summer of 2016 for the last of the three buildings to facilitate the preschool classroom.

In 2002 Mr. and Mrs. Alley stepped down from running the school to take some time away from teaching. During the transition time, Don Burgess and Patrick Mayer served as administrators. Amanda Rutherford was the administrator from 2007-2012. In 2007 we started offering K3 classes. From January 2013 to June 2013 Dale Lemons served as administrator. From July 2013 to May 2014 Rickey Walden served as the administrator. Mr. Stamper has been the administrator since January 2015. Mrs. Bryant was hired as Assistant Administrator in 2024. WBCS has 165 students enrolled and a staff of 24.

PHILOSOPHY STATEMENT

William Bradford Christian School partners with parents to provide a Christian education that leads students to the Cross of Jesus. Bradford believes that all knowledge should be filtered through the Word of God and that our job as educators is to teach students to measure everything they learn against the Truth of the Bible. We strive to foster a learning environment that is student driven; meeting the needs of individual students. We seek to help each student discover his/her personal talents and uncover his/her purpose for God.

VISION OF WBCS

The vision of William Bradford Christian School (WBCS) is to glorify **God**, strengthen the **family**, and promote **patriotism** while achieving high standards of **academics**.

- A. **GOD**: We believe that God inspired the Bible and it is the standard of truth. Therefore, the best possible education is a God-centered traditional education, which is WBCS philosophy of education. God is glorified when any school allows prayer and teaches Biblical truth.
- B. **FAMILY**: We believe there should be a cooperative effort between the family and the school. It is the parent's scriptural obligation to "train up a child in the way he/she should go". For this reason, Bradford's role is to be an extension of the home. We promote the same moral values found in the Christian family.
- C. **PATRIOTISM**: We believe that a return to a strong, solid government begins with patriotism. We teach our students about their American heritage. The current problems facing our country are viewed from God's perspective. From this viewpoint students can see that "*righteousness exalteth a nation,*" Proverbs 14:34.

- D. **ACADEMICS:** We believe that academic excellence is a must for any school. WBCS has high standards of academics. At WBCS this is brought about by using the best available curriculum and relying on the Holy Spirit to give wisdom and understanding to our students and teachers.

MISSION

The mission of William Bradford Christian School is to provide a Christ-centered learning environment of academic excellence that is an extension of the home.

STATEMENT OF FAITH

1. We believe the Bible to be the inspired, authoritative, and infallible Word of God. (Timothy 3:16)
2. We believe the Bible that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. (1 John 5:4-6)
3. We believe in the deity of our Lord Jesus Christ, His Virgin Birth, His Sinless Life, His Miracles, His vicarious and atoning death through His bloodshed, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory. (1 Corinthians 15:3, 1 Peter 2:21-24; John 3:16)
4. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential. (Romans 3:21-30; Galatians 4:4-7)
5. We believe the redemptive work of Christ on the cross provides healing for body, mind, and spirit in answer to believing prayer. (Isaiah 53:3-5; 1 Peter 2:24; James 5:14-16)
6. We believe in the present ministry of the Holy Spirit who indwells believers and operates in all believers in the power of the gifts of the Spirit, manifesting them as He wills. (John 14:16; Acts 1:5,8; 1 Corinthians 12-14; Galatians 5:22)
7. We believe in the resurrection of both the saved and the lost; that they are saved unto the resurrection of life and that they are lost unto the resurrection of damnation. (John 5:24, 28, 29)
8. We believe in the spiritual unity of believers in our Lord Jesus Christ, and seek community together, to “become more and more in every way like Christ who is the head of the body, the Church. (Ephesians 4:16)

SPIRITUAL FORMATION GOALS

We strive to guide students toward intentional spiritual growth and Christ-likeness. To achieve this we encourage our students to practice the following disciplines in their lives:

1. Abide in Christ: The act of placing oneself under the Holy Spirit and building a direct, personal relationship with Christ.
2. Live in the Word: The application of God’s Word into their lives, which leads to authentic living.
3. Pray in Faith: The participation in an ongoing conversation with God that includes thanksgiving, praise, confession, and intercession.
4. Fellowship with Believers: The interaction with other Believers in a Christ-like manner that emphasizes humility and forgiveness.
5. Witness to the World: The demonstration of faith in their lives that reaches out to the lost. This includes a working testimony and a participation in local missions.
6. Minister to Others: The contribution of their time and resources to serve others and to participate in the work of God’s Kingdom.

GUIDELINES

Faith - Hebrews 13:17 - Obey your leaders and submit to their authority. They keep watch over you as men who must give an account. Obey them so that their work will be joy, not a burden, for that would be of no advantage to you.

Life - 2 Timothy 2:15 - Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.

Speech - Ephesians 4:29- Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, That it may benefit those who listen.

Love - Ephesians 4:32- Be kind and compassionate to one another, forgiving each other, just as in Christ, God forgave you.

Purity - Philippians 2:14 & 15- Do everything without complaining or arguing, so that you may become blameless and pure, children of God without fault in a crooked and depraved generation, in which you shine like stars in the universe.

BIBLICAL INTEGRATION

The study of the Bible is recognized at WBCS as of fundamental importance. Biblical instruction, therefore, should not be confined or limited to traditional Bible class. We must integrate Biblical content and character into all other areas of student life. This integration reinforces to students the necessity of God's presence in their everyday lives.

ACCREDITATION

WBCS is a member of the Oral Roberts University Education Fellowship and is accredited with the International Christian Accrediting Association (ICAA) and AdvancED. The ICAA evaluates the school every five years to ensure that it meets the guidelines to remain accredited. The Oklahoma State Department of Education recognizes our accreditation with ICAA.

SCHOOL COLORS AND MASCOT

Our school colors are white, black, and teal.

Our school mascot is the lion. "...the righteous are as bold as a lion." Proverbs 28:1

SCHOOL PLEDGES

All students should memorize the pledges.

American Flag Pledge

I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

Christian Flag Pledge

I pledge allegiance to the Christian flag, and to the Savior for whose kingdom it stands, one Savior, crucified, risen, and coming again with life and liberty for all who believe.

Bible Pledge

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet, and a light unto my path. I will hide its words in my heart that I might not sin against God.

STUDENT CODE OF CONDUCT

Student Behavior Code of WBCS is as follows:

- Be Ready – listen, learn, and follow instruction (self-oriented)
- Be Responsible – do your best each day (classroom-oriented)
- Be Respectful – of others and property (others-oriented)
- Be Christ's Representative – Christ-oriented

There are four levels of infractions from minor infraction which usually denote bad habits of learning like not listening, not being on task, or not following directions; moderate infractions which denotes academic issues such as not doing homework; and major infractions such as talking back to the teacher, using bad language, bullying, harming another person, making threats, etc. Our purpose is to train up a child rather than punish him/her. Punishments do not address heart issues but training does. Such discipline requires a lot of thought and cooperation between school and home. Teachers and administration may ask for a conference to collaborate on how to best discipline your child for life-long consequences. Students are expected to represent WBCS in a positive manner always. While WBCS has no control over student activity off campus that is not school sponsored and does not supervise student conduct off campus during an activity which is not school sponsored, misconduct during such activity may come to the attention of school authorities and may result in the administration of discipline, including suspension or dismissal.

1. School property shall be protected. Defacing or damaging school property which is malicious or careless in nature will result in both appropriate disciplinary action and the replacement of such property, or reimbursement at fair market value, by the student and/or his parents or legal guardians as deemed by the school.

2. WBCS reserves the right to invite law enforcement to visit at any time during the school year to search for drugs. Any alcoholic beverages, drugs, or drug paraphernalia found under the student's control will constitute possession.

WEATHER/SCHOOL CLOSINGS

Announcements will be made on the school answering machine, on FaceBook, Gradelink, and over KJRH TV (channel 2), KOTV TV (channel 6), KTUL TV (channel 8), and KOKI TV (channel 23) should WBCS be closed for bad weather conditions. William Bradford Christian School will be named specifically. Days canceled due to weather may need to be made up at the end of the year. If weather becomes severe during the school day, there is a possibility of early dismissal. In this event, parents will be notified.

POLICIES AND PROCEDURES

ACADEMICS

Grading Scale

Letter grades are given on the report card in all subjects for grades K(5) - 6. Percentages are given on the report card in all subjects for grades 7-12. These are the letter grades with their numerical equivalents:

A	90-100	Excellent achievement
B	80-89	Above average achievement
C	70-79	Satisfactory achievement
D	60-69	Passing, below satisfactory level
F	59 and below	Insufficient achievement to pass
I		Incomplete-grade assigned because of excessive absence or failure to complete major assignments or tests. In either case it is the student's responsibility to give prompt attention to completing the work.
S		Satisfactory
N		Needs Improvement
W		Withdrawal from class

Physical Education Class Grading

Grades given in Physical Education classes will be based largely upon **participation**. An alternate activity will be given at the discretion of the teacher/coach.

Report Cards

The report card reflects the student's academic progress and will be issued in the week following the end of each nine-week session. The school calendar indicates the dates for the grading periods. Access to Gradelink will be denied if there is an outstanding account balance. Grades can be viewed on Gradelink and year-ending report cards will be mailed approximately two weeks after the school year ends.

Extracurricular and Athletic Eligibility Policy

In order to establish a high level of academic standards in our extra-curricular and athletic programs, each student competing or participation in activities must:

1. Maintain an overall grade no lower than a "D" in each class during the season in which they are participating. Weekly grade checks will be maintained during the season. *Students who fall below the academic standard during a grade check shall be placed on probation that week, and will be declared ineligible for the following weeks until they bring their grades up to the acceptable level in all classes.*
2. Each student is required to attend school the day of the event in order to participate. Pre-arranged, extenuating circumstances may be approved by the Administration.
3. The ineligible period runs from Monday through Sunday, following the notice.
4. Students must receive at least one grade per week to allow them the opportunity to raise their grade.

Parent/Teacher Conferences

Conferences will be scheduled by parent, teacher, or Administrator.

Every parent is required to attend scheduled conferences for the benefit of his/her child and to obtain pertinent information concerning the school program.

Individualized Education Plan (IEP)

Bradford does not employ a special education certified teacher and is therefore unable to provide special education services to students who have been on an IEP in public school. If said students chose to enroll at Bradford, copies are made of their IEP accommodation page, which in turn is given to their teachers as an aid in educational planning for the student.

Elementary Retention

If there is an academic concern and retention may be necessary, a conference will be scheduled with the parents, teacher, and Administration. The general guidelines for retention are teacher recommendation based upon one or more of the following as follows :

Pre-K to 2nd Grade

- Personal observation
- Below grade level performance in academic subjects
- Below grade level on development
- Social/emotional immaturity

3rd to 8th Grade

- Failure of two or more academic subjects
- Grade levels of 1.5 points below the norm in standardized testing, in reading, or math
- Social/emotional immaturity
- Students with one final grade of “D” in major subjects (English, math, science, social studies, Bible) will be passed onto the next grade on academic probation. In most cases, a recommendation will be made that the student receive tutoring during the summer. The probationary status will be in effect during the first nine weeks of school and will be removed if the student maintains a “C” average or better during the first nine weeks.

Bible

Bible study is recognized at WBCS as of fundamental importance and is a required subject. It augments the study of English, history, geography, and science. Without knowledge of Biblical truth, a student cannot be considered educated. The Bible gives direction for this life, and the only hope for the life to come. No other book can so enrich the minds and hearts of men as “The Book of Books.”

In addition to the moral and spiritual values, knowledge of the Bible is one of the greatest educational assets any man can have. As an important work of a school, no other course offered in the school affords such great opportunities for laying the foundation of Christian character.

High School Graduation Requirements

The first requirement for graduation is expressed in units and represents the minimum standard. A unit is equal to one academic year; a half unit is equal to one semester (exception - each semester of P.E., Music, and Bible class is equal to one-quarter unit).

A student may enroll in a maximum of six (6) semester credit hours per semester at a university.

A student must enroll in a combined number of high school and college courses equal to a workload of at least eighteen (18), but not more than (19) semester credit hours. For purposes of calculating workload, one (1) high school course will be equivalent to three (3) semester credit hours of college work. A student may enroll in a maximum of six (6) semester credit hours during a summer session or term at a college or university.

Seniors who are enrolled in only one 3-credit college course must be enrolled in no less than four periods in WBCS. All concurrently enrolled students must provide evidence they have been accepted and are enrolled in college courses. Only those courses taken for college credit will be accepted in meeting the six hour (eighteen semester credit hours) state attendance requirement.

Students who drop concurrently enrolled courses will be required to re-enroll in courses at WBCS. Students must submit a copy of their concurrent transcript immediately following completion of their course. No tuition discounts are allowed for concurrent enrollment. Students will be charged the full tuition amount.

ACT

Ninth to Twelfth grade students are encouraged to take the ACT. The ACT® is the leading US college admissions test, measuring what you learn in high school to determine your academic readiness for college. Go to www.act.org to register. Homework

Since WBCS strives to obtain academic success for each student, our teachers will be giving homework to aid students to advance in their studies. Each student is required to complete his/her homework assignments. Homework is given for several reasons.

- It can allow reinforcement of skills learned in the classroom.
- It can help pupils to make more rapid progress in learning.
- It can allow students to use materials and other sources of information that are not always available in the classroom.

We do request parents' full cooperation in seeing that the assignments are completed. Repeated delinquent homework should result in failing a class and receiving no credit.

Students are to write down the class assignments each day in their student planner. Student's parents are requested to look over the class assignments, making sure their child has completed all his/her homework. Homework assignments are also available on GradeLink.

ATTENDANCE

School Hours

The school day will begin at 8:15 A.M. and end at 3:25 P.M. **Supervision of students DOES NOT BEGIN UNTIL 8:00 A.M. AND ENDS AT 3:45 P.M.**

Attendance

Prompt and regular attendance in all classes is the responsibility of every student and parent. It is the legal obligation of the school to see that the student and parents alike meet these responsibilities. Regular attendance is important to a student's success in school and establishes good work habits and self-discipline.

Parents are responsible to see that their child comes to school and remains at school. Regular attendance is important. Any student who is absent **twenty days** or more cannot pass the school year. High school students cannot miss more than **ten days** in a semester and pass the semester classes. If a child is absent without valid excuse for ten (10) or more days within a semester, the administrator shall notify the parent, guardian or custodian of the child and immediately report such absences to the district attorney in the county where the school is located for juvenile proceedings *pursuant to Title 10 of the Oklahoma Statutes. (70-10-106) Days out of school, excused or unexcused, are counted as absences.* **Tardiness to school or leaving early from school are considered absences.** Should a student not meet this requirement WBCS may deny promotion, graduation, or course credit.

Absences

It is the responsibility of the parent/guardian to notify the school concerning the cause of any absences. **If your child is absent, please notify the school by verbal or written communication before returning.** If a child is absent for 3 or more consecutive days due to illness, a doctor's note may be required for the student to return. If a student will be gone for extended absences, an arranged absence form must be submitted and approved by the administration.

Make-Up Work

Students with an excused absence will have the same number of days to make up their work as days they were absent. Receiving assignments and make-up work is the student's responsibility to initiate. Homework assignments are posted on Gradelink. Unexcused absences **will** result in a zero for all work missed.

Arranged Absence Request Form

Parents desiring to take students out of school for planned extended absences (college visits, family vacations, ministry trips, etc.) must present a written statement indicating the reason for and the anticipated length of absence. A *Student Planned Absence Form* may be obtained from the office and must be signed by parents and administration. Students will be expected to obtain their assignments from their teachers 1 day prior to the absence. Assignments are due the day they return to school.

Tardiness

Students are expected to be seated in the room when class begins or they will be marked tardy. ***Students arriving late to class are a disturbance to the entire classroom.*** Therefore, students **MUST** arrive on time. Students arriving at school after 8:15 A.M. must report to the office to receive an admit to class. **Absence from a class period for 15 minutes or more, will be counted as an absence. Three (3) tardies will be counted as one (1) absence.** The only excusable reasons for being tardy are the following: car trouble, illness, weather, or road conditions (including accidents) that make travel dangerous or slow. A note or telephone call from the parent will be required. A fee will be assessed per family per tardy (morning arrival) after 3 tardies. Tardies 4-6 will be \$5 each. Tardies 6-10 will be \$10 each per family. The fees will be added to your bill if not paid promptly. After the 10th tardy, the fee to be administered will be discussed by the administration and the board.

Early Dismissal Policy/Procedures

Driving students

Students who drive will not be released early from school until the office has received and verified the written notification from parents/guardian. Written notification may be made by email to: info@wbcslions.org , or fax to 918-825-7037 or a handwritten note from the parent or guardian and should include following information:

Parent or guardian's name

Student's name

Student's grade

Time parent wishes student to be released from school

Reason for early dismissal

Estimated time/date of return

Once a student has signed out they must leave the property

BEFORE leaving school, the student must come to the office and sign out listing the exact time of departure on the sign-out sheet. Upon returning to campus the same day, students are required to sign in at the office.

Non-driving students

Students who cannot drive must be signed out through the office by their parents or guardian. Students will not be released to anyone other than the parent without written permission from the parent or guardian. Students will not be allowed to leave with other students unless the driver is a sibling and the office has received the required information listed above from the parent giving permission for the student to leave with their sibling.

DISCIPLINE

To achieve the best possible learning environment for all students, school rules and discipline will apply:

- During the regular school day or while a student is going to and from school on school transportation
- During lunch periods in which a student is allowed to leave campus
- While a student is in attendance at any school-related activity, regardless of time or location

The responsibility for rearing children in the nurture and admonition of the Lord is given to the parents. At William Bradford Christian School we desire to partner with you in raising your children in the ways of the Lord.

In order to have a consistent policy that will not be misinterpreted, everyone must employ the same definition of the word "discipline." The parents are responsible for their child's actions and attitudes at school. WBCS expects the parents to actively support school personnel in developing proper attitudes toward other students, teachers, other personnel, and the school in general. Discipline refers to the necessary corrective measures that must be consistently employed in order to help a person become a mature, responsible adult.

Teachers or supervisory personnel shall speak with or discipline students on the school premises and field trips whenever behavior fails to glorify God. All teachers are expected to consult with the Administration for suggestions in handling discipline problems before they become acute.

A parent may administer corporal punishment when other corrective measures have failed to bring out proper behavior. It shall be administered according to this policy and when the Administration considers it the most appropriate measures to influence the child's conduct. Should a parent decline to administer corporal correction when requested by the school, other appropriate means of discipline must be implemented immediately. If the alternative disciplinary methods fail to bring about proper behavior, the parents may be asked to withdraw their child. Only the parent will administer corporal correction. A written statement will be placed in a discipline record stating the child's name, the date, the infraction, and any counseling done.

The Administration is required to involve the School Board under certain conditions:

- Any act of vandalism.
- Continued physical violence, threats, physical or emotional bullying on the part of a student. Students who bully other students will be disciplined, and if necessary, referred for professional counseling. Bullying for the purposes of this document means, 1) Any threat or intimidation by physical force or emotional means, and/or 2) Constant teasing or gossiping with intent to hurt another.
- Repeated unacceptable actions such as stealing, lying, foul language, or obscene gestures.

- Attitude problems that interfere with other students' right to learn.
- Threats to anyone in authority on the part of a student or parent.
- Problems with a class or student that interfere with the orderly operation of the school.
- Refusal on the part of the parent to cooperate with the school personnel.
- Any student being found bringing a weapon on school property. William Bradford Christian School supports a zero tolerance policy towards weapons of any kind brought to school or school events.
- Off campus behavior that becomes a problem on campus.

Handling of Discipline Problems

Correction must begin as soon as possible after the infraction is committed. The correction must be fair to all parties involved with opportunity given for comments. We believe that discipline is necessary for the proper development of each student. Each teacher is given the liberty of making and enforcing classroom regulations in the manner that he/she is in accordance with Christian principles.

Examples of typical corrective measures are student-teacher conference, one-hour detention after school, student-administrator conference, parent-teacher conference, and Saturday school. Students may be suspended or expelled for excessive accumulation of detentions, skipping school, or for failure to report to detention or Saturday school.

Should a student refuse to accept the discipline prescribed by the school, he or she is to be suspended from class until such time as he or she will accept the discipline or until a hearing before the board. If a parent refuses to cooperate, a meeting with the School Board will be arranged. The child will be suspended until the School Board meets on the matter. At the School Board meeting a decision will be made as to whether the student will be withdrawn or allowed to return to school.

Everyone involved in discipline is encouraged to make clear to the student the truth that God loves each of us and that "while we are sinners Christ died for us." Personal convictions and judgments should not be the standard in the process of correction. Only Biblical truths, or school policy or procedure should be voiced to the student as the authority. Also, if the student's behavior or attitude indicates an uncooperative spirit or one that is out of harmony with the spirit and standards of WBCS, whether or not there is any definite breach of conduct, he/she may be requested to transfer.

WBCS expects full cooperation from both the student and parents in the education of the student. If at any time the school feels that this cooperation is lacking, the student may be requested to transfer out. Attendance at WBCS is a privilege and not a right. Students forfeit this privilege if they do not conform to the standards and ideals of work and life of WBCS.

Resolving Conflicts

WBCS believes strongly in and tries to practice the principles of resolving conflicts as set out in Matthew 18:15-17. In keeping with this principle, the established way of dealing with any conflict that arises is as follows:

1. Talk directly to the person with whom the conflict has arisen.
2. If that does not resolve the conflict, talk to the Administration.
3. If that does not resolve the conflict or if the conflict is with the Administration, appeal must be made to the School Board for a hearing.
 - A. This appeal must be in writing and should include pertinent information surrounding the conflict.
 - B. The chairman will either place the appeal on the agenda for the next regular meeting of the School Board or will call a special meeting to hear the appeal.
 - C. Ample notice (seventy-two (72) hours minimum) will be given to all parties involved.
 - D. The School Board will prayerfully consider the issue raised and will arrive at an equitable solution.
 - E. The decision of the School Board is final.
 - F. Once a hearing is scheduled, it must be held.

Public Displays of Affection

Public displays of affection (holding hands, hugging, kissing, etc.) are not acceptable behaviors for school or school-related events.

Lifestyle/Sexuality

WBCS is guided by a long-standing traditional, biblical worldview which reflects the understanding that human sexuality is a gift from God, and that sex assigned at birth is a person's God-given, objective gender, whether or not it differs from their internal sense of "gender identity" (Genesis 1:27, Leviticus 18:22, Matthew 19:4, Romans 1:26-27, 1 Corinthians 6:9-10); sexual relations are for the purpose of the procreation of human life and the uniting and strengthening of the marital bond in self-giving love, purposes that are to

be achieved solely through heterosexual relationships in marriage (Genesis 1:28 & 2:24, Exodus 20:14, Proverbs 5:15-23, Matthew 19:5, 1 Corinthians 6:12-20 & 7:2-5, 1 Thessalonians 4:3).

Misuses of God's gift of human sexuality will be understood to include, but not limited to; gender expression inconsistent with sex assigned at birth (transgender), gender transition, sexual abuse, sexual harassment, sexual assault, heterosexual misconduct, homosexual conduct, or possession of pornographic materials. In addition, WBCS considers indiscreet public displays of affection as inappropriate behavior.

Employees and students at William Bradford Christian School are expected to conduct themselves at all times in accordance with the highest standards of Christian morality. It is particularly important to WBCS that high standards of sexual morality be observed among its employees and students.

William Bradford Christian School may subject to disciplinary action any employee or student who engages in or encourages any of the following:

1. Gender expression inconsistent with sex assigned at birth
2. Gender transition
3. Sexual relations with a person other than his/her spouse
4. Sexual relations with a person of the same sex
5. Touching, caressing, or other physical conduct of a sexual nature with a person of the opposite sex that is inappropriate to the time and place in which it occurs

Disciplinary action may include Disciplinary Dismissal.

Bullying

Bullying of any student(s) at WBCS will not be tolerated. Students who bully other students will be disciplined, and if necessary, referred for professional counseling. Bullying for the purpose of this document means:

- Any threat or intimidation by physical force or emotional means
- Repeated teasing or gossiping with intent to hurt another person

Cheating

Cheating/plagiarizing will not be tolerated at any grade level. Students found cheating/plagiarizing on any school material, homework, test, class project, etc., will receive a grade of zero. Parents will be contacted by the Administration. Additional consequences are at the discretion of the administration.

Suspension

Suspension may be used as a disciplinary action for problems deemed by the Administration to be of a more serious nature. Students who do not respond to other means of discipline may be suspended. Whether or not students are allowed to make up work missed due to a suspension is subject to the administration's discretion. In the event of suspension, all work should be gathered from GradeLink and will be due at the time of return to school.

Suspended students will not be allowed to participate in or attend any school-related function or extracurricular activity until reinstated by the administration.

Expulsion (Dismissal)

Students may be dismissed from school when they fail to respond to corrections. Teachers will document all behavior problems that arise with a student. These records will assist the Administration when they meet parents regarding the possible dismissal of a student. When a student's attitude is not in accordance with the school's policies or principles, a parental conference will be called. Action that shows disrespect, dishonesty, rebellion, or other negative attitudes will be handled by the Administration as it sees fit. The school reserves the right to have full discretion in the discipline of all students and to dismiss any student who does not cooperate with the education process.

DRESS CODE

In 1 Samuel 16:7, we find that God does not look at man's outward appearance, but at the heart of man. How God views us is certainly the most important thing.

It is the belief of the school that parents should take responsibility for the appearance of their children. We also believe that students show their respect for the school by living within the guidelines expressed in their dress code. **Bradford staff members will maintain and enforce the dress code both at school and school-related functions by notifying the Administrator.**

WBCS reserves the right to make discretionary judgment regarding the appropriateness of student dress/attire not explicitly covered in this standard of dress policy. The final interpretation of this standard remains the responsibility of the administration. Violations of this standard may result in the following, but not limited to: verbal warning, phone call to parent, and/or being sent home unexcused. WBCS will not tolerate repeated violations.

DROP-OFF, PICK-UP, AND PARKING

All elementary students must be dropped off at the flagpole and picked up at designated areas. All JH/HS students will enter the building under the awning. Students, parents, and staff will observe a 10 mile-per-hour speed limit when driving on school property.

DROP OFF PROCEDURE

Elementary - Drop will be the same procedure as last year. Drive around (past the MS/HS Building) and drop off at the awning in front of the Middle Elementary Building. A volunteer/or staff member will be there to unload cars and students will walk to their appropriate building.

MS/HS - Enter the drop off zone and they will exit your vehicle under the awning. Drive through and exit out the appropriate drive.

- If you have an elementary student to drop off, merge into the drop off line and continue around the parking area. Drop off elementary students at the awning.
- If you do NOT have an elementary student to drop off, exit through the appropriate drive and continue to the first turn-around. Merge into the exit line of traffic.

Please see the diagram on the back to visualize the correct driving procedure for drop off.

PICK UP PROCEDURE - REMAIN IN VEHICLE AT ALL TIMES

Elementary - Please drive through to the awning and students will be called as we see parents here to pick them up. We will have teachers/staff on duty to call for students and get them to your vehicle as quickly as possible. Exit drive as traffic proceeds. Please DO NOT pass other vehicles as we may be walking children to their cars. If you need to buckle car seats, please pull out of line by the mailbox and buckle your students. Wait patiently and we will keep traffic moving as we can.

MS/HS - Enter the south entrance and park in the lot east of the gym facing toward the east. The students will be allowed to walk to your cars as school is dismissed. Please watch for traffic and exit to the east. Please merge into the exit line.

- If you have an elementary student to pick up after your MS/HS student has reached your car, please exit to the east and merge into the elementary pick up line and follow the above elementary procedure.

Please be patient as we begin the school year with these new procedures. This is new territory and we may have to change a few things to ensure student safety. Thank you in advance for your understanding and cooperation!

Student Parking

Driving to school and parking on school property is a privilege extended to cooperative students.

1. Students may park only in the area designated as student parking on the northeast side of the east parking lot.

3. Cars are not to be occupied during school hours, nor are students to sit in parked cars while waiting for school to begin or after school dismisses.
4. Student drivers must sign out and follow established procedures for leaving should the need arise to leave early. **A permission slip must be signed by a parent and be on file in the school office.**

FIELD TRIPS

Field Trips are planned by the teacher to enhance the curriculum being taught. When field trips are planned, teachers will send home information with students regarding the trip. Please read and follow all of the teacher's instructions carefully. Some general guidelines for field trips are listed below:

1. All school policies concerning dress, behavior, and discipline apply.
2. The behavior of students during special outings should always reflect self-control and a high Christian standard.
3. Transportation will be provided by bus or in WBCS approved vehicles. All students must ride to and from the field trip in school vehicles unless a release form is signed by the parent and approved by the Administration. WBCS will charge each student \$3.00 per field trip for transportation costs.

Any adult attending a field trip as a chaperone must have an approved background check form on file. Cost for a background check is \$6 and expires after three years. **No adult (parents included) may attend a field trip without this approved form on file.**

Background check forms take a minimum of two weeks to process. Parents are encouraged to complete this form at the beginning of the school year to avoid missing field trips. NOTE: Background checks expire after three years, and a new one will be required.

Due to the educational nature and supervisory role of the parent, siblings may not attend field trips unless specifically invited by the teacher. Parents may need to provide their own transportation on field trips.

Financial assistance is available to students enrolled in kindergarten through twelfth grade at Bradford Christian School. Students must be in good standing academically and behaviorally. Grantees must re-apply for financial aid each year. An award of financial aid in one year does not imply that financial aid will be awarded in succeeding years, nor does it imply that the amount of aid granted will be the same in succeeding years. Completion of the financial aid application is not a binding agreement that any assistance is available or will be granted. For BCS families, who may have unexpected needs arise after the May 15 deadline, the Financial aid application may still be submitted. Any aid will be dependent on the availability of funds in the financial aid budget. Applications are available at www.wbcslions.org/admissions and in the office.

INTERNET USE

William Bradford Christian School is pleased to offer students' access to the Internet. Access, however, is a privilege, not a right. All students under the age of 18 must have on file an "Internet User Agreement and Parent Permission Form."

As much as possible, access to Internet information resources will be designed in ways that point students to those sites that have been reviewed and evaluated prior to use. While students may be able to move beyond those resources to others that have not been evaluated by staff, they will be provided guidelines and lists of resources particularly suited to the learning objectives.

Access to the Internet will enable students to explore thousands of informational resources. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students' access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But, ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, WBCS supports and respects each family's right to decide whether or not to grant permission to Internet access.

Because the computer network is a privilege and is provided for students who have an educational purpose, access to network services is given to students who have teacher permission and who agree to act in a considerate and responsible manner. Privilege entails responsibility.

Individual users of the school's computer networks are responsible for their own behavior and communications over these networks. It is presumed that users will comply with school standards and will honor the agreement that they have signed. However, if an individual violates any of these standards, that individual is solely responsible for any consequences that may arise.

Network storage areas may be treated like school lockers. Network administrators may review files and communications. Users should not expect files to be private.

Within reason, freedom of speech and access to information will be honored. During school, teachers of younger students will guide them into appropriate materials; teachers of older students will have specific assignments. Outside of school, families bear the same responsibilities for such guidance just as they do with information sources such as television, telephones, movies, radio, and other potentially offensive media.

The following are some GENERAL examples of inappropriate use:

- Sending or displaying offensive messages or pictures
- Using and viewing obscene language
- Harassing, insulting, or attacking others
- Violating copyright laws
- Intentionally wasting network resources or bandwidth
- Employing the network for commercial purposes or personal reasons without permission from school personnel

The following are some SPECIFIC examples of inappropriate use:

- Downloading any software without permission
- Playing games on the computer or online (Yahoo, ESPN, etc.)
- Accessing the Internet in any way without internet privileges
- Logging in using someone else's account
- Giving out your password to another student
- Accessing/adding/removing any programs or files from a computer without permission
- Opening email without permission
- Downloading any music or videos
- Intentionally changing computer settings
- Using or installing instant messaging programs (IM)
- Accessing or viewing pornographic material
- Damaging computers or computer accessories
- Entering into chat rooms

Violators will be referred to the Administration. The Administration will determine consequences.

LUNCH ROOM

All students will eat lunch in the lunchroom. Students are to bring his/her lunch to school each day. Bradford Boosters offer snacks and beverages for purchase with cash called Lion Loot. Boosters offer additional lunch options by pre-order, pre-pay per month such as pizza and Chick-fil-a. All orders come through the Remind App. **MAKE SURE YOU ON THE REMIND APP.**

Please consider the ability of your student to open the containers in which you send their food. Your child should easily open all packaging. Microwaves are available in the lunch room for students to heat their lunches, if necessary. However, please consider that students can waste a considerable amount of their lunchtime waiting for a microwave. **All utensils, bowls, etc. must be packed with the child's lunch.**

MEDICAL

During enrollment, parents must complete two medical forms: a *Student Health Form* and an *Authorization For Emergency Care To Minor*. These forms are kept on permanent file.

Immunization Records

All students must present upon school entry, a certified immunization record indicating the date and type of immunization received. This record, preferably the *Oklahoma Official Immunization Record Card 218B*, **must** be signed by a licensed physician or an authorized public health representative. Students failing to complete the required immunization requirements will be subject to dismissal from school until the immunization requirements are met.

Illness (during school)

The teacher will send students who become ill during the school day to the office. Office personnel will contact parents. It is imperative that parents keep current employment and phone information updated in the office. Students with a fever of 100 or above, vomiting, diarrhea, or other contagious conditions must be picked up immediately.

Illness (returning to school)

Students with a fever of 100 or above, vomiting, diarrhea, or other contagious conditions must remain at home until such symptoms have subsided for at least 24 hours without medication.

Medication

If your child requires medication during the school day, you must provide written/signed authorization stating dates, time(s), and amount of medication to be given. Medications to be given for over 10 days require a *WBCS Medical Authorization Form* signed by the parent and doctor. All medications must be sent to the office in the original container/packaging labeled with the student's name, grade, and dosing directions. School personnel will dispense the medication.

Physical Education Participation

All students are expected to participate when enrolled in P.E. classes. When any student has a physical challenge that limits activity or prohibits a particular activity, the school requires a note from the family or a medical doctor indicating the reason for limitation and the period of time for which the limitation is valid. Parental requests for occasional exemption (sore throats, nausea, etc.) will be honored provided a signed note stating the reason is presented to their P.E. teacher/coach. When the exemption is for more than one (1) consecutive P.E. class, a doctor's note is required.

OFFICE

Deliveries for Students

Items delivered to the school for students (e.g. mail, parcels, flowers, balloons, and other items) will remain in the school office until the end of the day.

It is the responsibility of the students and their parents to ensure that they have all of their books, homework assignments, athletic gear, lunches, etc. that they will need for the day before arriving at school. Classes will not be interrupted to deliver "forgotten items" to a student.

Visitors

Visitors are welcome at WBCS. However, in order to ensure the safety of our students, *all visitors must sign in at the office*. Visitors are not permitted during standardized testing week or during quarterly or semester exams.

Parents are encouraged to visit the school and their child's classroom; out of courtesy to the teacher, please make arrangements in advance.

Volunteers

We welcome the involvement of our parents in the activities of our school. At the time of registration, parents are asked to select at least three (3) areas in which they feel they would like to participate. You may be called from time to time to help in the areas you selected.

All parents wishing to help in the classroom, library, cafeteria, or on recess or field trips, must have a current approved *Volunteer Application and Background Check form* on file in the school office. Background Checks cost \$6 and may take a week to process. Parents are encouraged to complete this form at the beginning of the school year. NOTE: Background checks expire after 3 years and a new one will be required. All volunteers are subject to the terms of the WBCS Student Handbook. All volunteers must sign in and out in the school office.

Housekeeping

Each student is expected to do his/her part in keeping the classrooms, hallways, lockers, and campus clean. Please help us keep our buildings and grounds as a Christian example to the community. This can be accomplished if each of us will deposit our trash in the proper containers and pick up paper, rather than walking over it. Trash containers are located in each classroom and hallway.

Lockers

Lockers must be kept neat at all times. Food may not be kept in a locker for more than one day. No open liquid containers may be kept in a locker. A personal water bottle with a lid may be kept in lockers to use in between classes. Any violation of this policy will result in forfeiting the right to a water bottle in your locker. Writing is not permitted on the inside or outside of the lockers. Pictures on the inside of lockers may only be secured with tape and must reflect Christian character and Biblical morality. Decorations are only allowed on the inside of the lockers. Students may only use the locker issued to them and may not open the locker of another student

without specific permission. Any student who does not abide by these rules will forfeit their right to have a locker. WBCS Administration reserves the right to open and inspect any locker at any time that it feels is warranted. WBCS is not responsible for any lost or stolen items from lockers. No personal items (books, bags, etc.) will be allowed to be left in the hallway outside of the lockers.

Gradelink

Parents can access all of their children's grades and assignments via the internet by logging in through gradelink.com. To be able to login at the site, the school must have a parent's email address in the system. Teachers will update grades, lesson plans, and homework assignments on a weekly basis. Parents are able to email teachers through this site. Parents can also view their tuition, as well as the school calendar and newsletters. If you receive a message that your Gradelink account has been disabled, it is likely due to an outstanding financial account balance. Please contact the office at 918-825-7038.
